Kente design is a mix of horizontal and vertical interwoven cloth strips, creating a block style ethnic effect inspired by West Ghanian Akans.

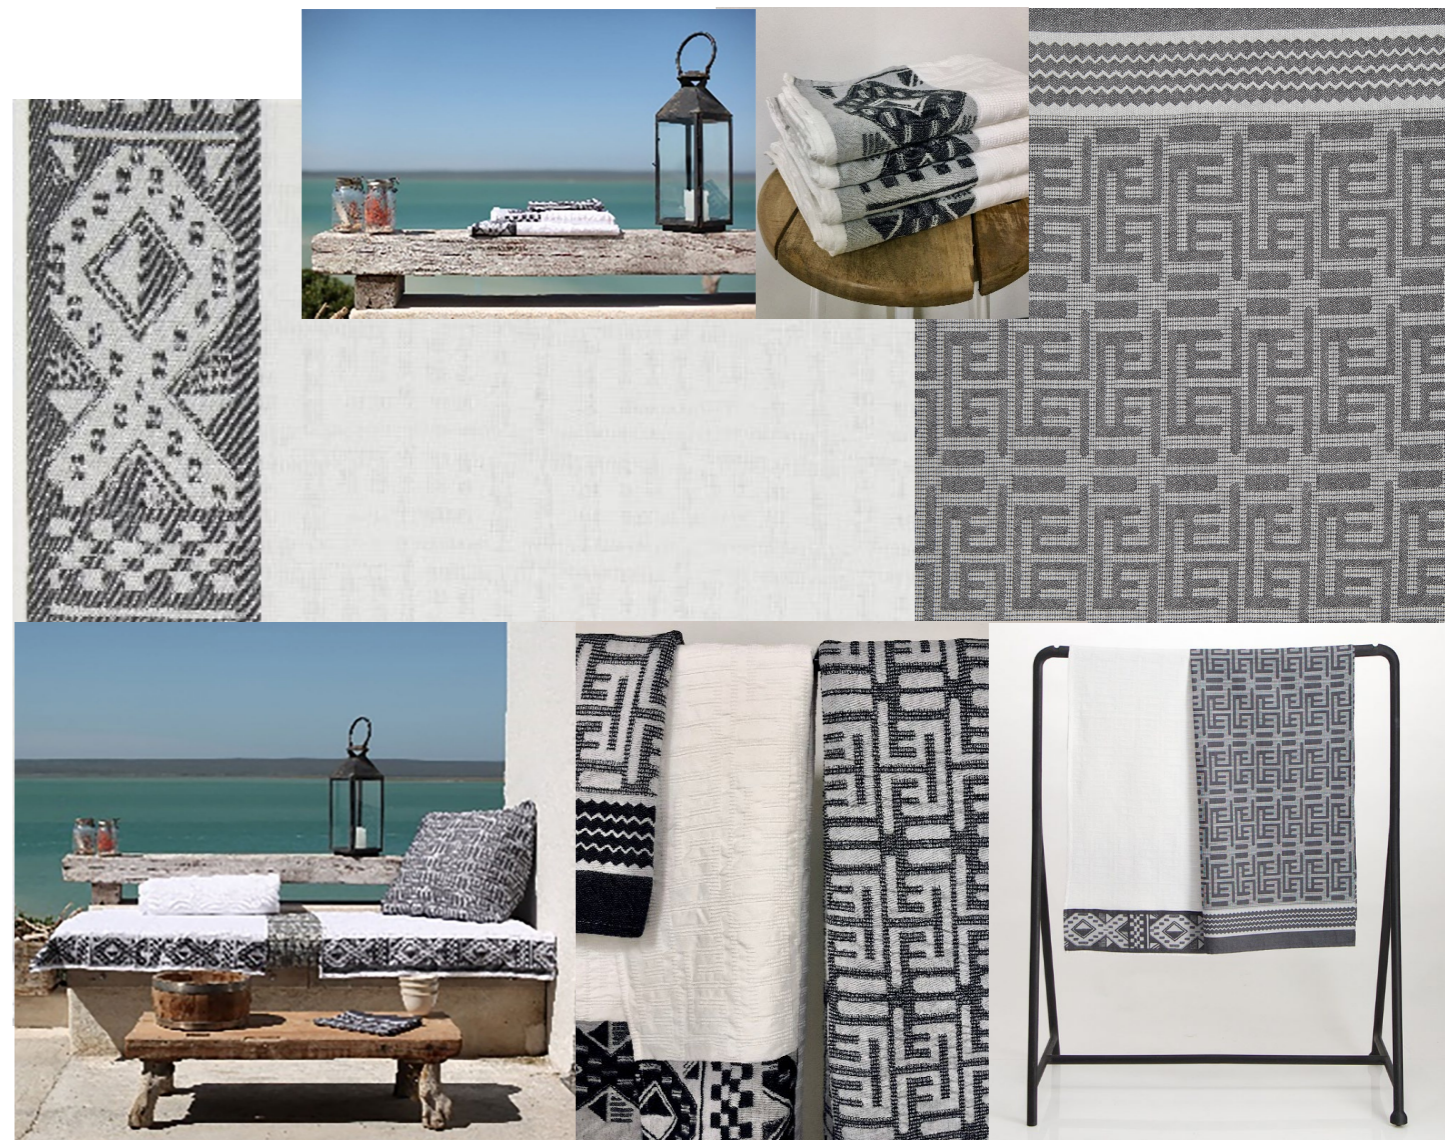

KENTE THROW
This Kente throw has been woven in Cape Town by African Jacquard in 100% Cotton with the unique Kente designs. Thrown over your sofa, or used as a bedspread, this versatile piece is a bold textile pattern adding unusual but vibrant style to any room in your home.

Home care: Warm wash up to 60° and tumble dry to keep your throw soft.
