GBP Wholesale Pricelist 2025

African Jacquard is a luxury home textiles company, who have been designing, weaving, and producing a diverse range of contemporary African products in the heart of Cape Town, South Africa, since 2014.

Using French traditional Jacquard looms, and weaving with natural fibres, we combine a variety of weaving techniques together with African-inspired geometric designs to develop unique and extraordinary textiles.

At African Jacquard we like to think of our collections as a collection of stories from our travels throughout Africa.

Welcome... to our weaving journey.
