

African
Jacquard

ZAR Retail Pricelist 2025

African Jacquard is a luxury home textiles company, who have been designing, weaving, and producing a diverse range of contemporary African products in the heart of Cape Town, South Africa, since 2014.

Using French traditional Jacquard looms, and weaving with natural fibres, we combine a variety of weaving techniques together with African-inspired geometric designs to develop unique and extraordinary textiles.

At African Jacquard we like to think of our collections as a collection of stories from our travels throughout Africa.

Welcome... to our weaving journey.

Customization

Design

Send us your design, logo or an image, or use our design services. We will provide you with design consulting, print outs and tech packs prior to sampling.

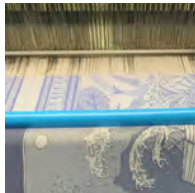

Shelf Ready

Getting textiles ready for display can be both tricky and time consuming. Therefore we deliver your creations packaged and "shelf ready".

Project Management

Ensuring quality and delivering your products on time. From beginning to end, your custom project will be managed by your own project manager.

Sampling

Weaving your vision to life. We offer a full sampling service ensuring that we have met all your projects requirements prior to production.
